Subj Discontinuance of the Anti-malaria Establishment — Tiptur Town

Sir,

With reference to your letter No Ab C 322/68-69 dated 28-8-68 on the above subject, I am directed to state that your recommendation in the matter is not clear. Firstly the letter of the Pd to the D P H suggests the transfer of Sri H S Krishnaswamy who was working as Health Inspector, and whose work is reported to be unsatisfactory but the recommendation in your letter was for the retention of Sri Kempathimmiah

When the former was transferred and the latter was posted is not clear as also why the latter was posted when the whole establishment was proposed to be wound up. Further, whether the antimalaria establishment apart from the Health Inspector has been disbanded as resolved by the M L C and if so, when, may be stated ~~but not clear~~ It may also be stated why, when the M L C has resolved to

suspend the Antimalaria operations,
it should be forced to continue
the Health Inspector without the
supply of oil and without the esta-
blishment, incurring avoidable expenditure
If there is no work for the Inspector,
he may be relieved and sent in
consultation with the pdt and D P H

A very early reply is requested

Yours faithfully
